ABOUT ME

I am a security professional with over a decade of demonstrated history of working in helping private and public organizations build a robust security culture. My background spans across many security disciplines, from security management, risk management, human security to crisis management.

WORK EXPERIENCE

Oct 2022 – May 2024

Security Manager, Global Security Awareness & Training Bank J. Safra Sarasin | Basel, Switzerland

Minimize Human Risk Through Education

- Built and executed risk-based Security awareness & training program with the goal of securing the workforce's behaviors and crafting a culture of security
- Identified and monitored top human risks and behaviors
- Run phishing education program
- Developed blended learning approaches
- Created and monitored CBT mandatory security training

Operating Rhythms & Process

- Measured security behaviors through metrics frameworks
- Provided remediation actions upon security incidents
- Wrote security awareness standards, guidelines, controls

Engagement and Communication

- Managed all queries on security awareness and training matters
- Developed risk-based campaigns that feature communications, videos, infographics, and blogs

May 2017 – Sep 2022

Security Manager, Global Security Awareness & Training Signify (formerly Philips Lighting) | Amsterdam, the Netherlands

Minimize Human Risk Through Education

- Built and executed risk-based Security awareness & training program with the goal of securing the workforce's behaviors and crafting a culture of security
- Identified and monitored top human risks and behaviors
- Implemented awareness activities across all security disciplines (information security, physical security, travel security, supply chain security, OT security)
- Run phishing education program
- Developed blended learning approaches
- Created and monitored CBT mandatory security training
- Prepared and provided tailored training for the Supervisory Board and Board of management

Operating Rhythms & Process

- Measured security behaviors through metrics frameworks
- Provided remediation actions upon security incidents
- Wrote security awareness standards, guidelines, controls

Engagement and Communication

- Managed all queries on security awareness and training matters
- Developed risk-based campaigns that feature communications, webinars, videos, infographics, social media, and blogs

Crisis manager

- Defined company crisis management, safety & security processes, including led crisis communication
- Advised & reported to the Board of Management.

Dec 2020 present

Italian Translator

SANS Institute | Remote, part-time

Italian translator for the OUCH! Newsletter.

Jul 2014 -Apr 2017

Senior Cybersecurity Consultant Intellium acquired by Deloitte | Milan, Europe

Security Advisor for a variety of roles in security, including C-levels:

- Assessed and defined Policy Framework for ICT&ICS against industry-standard frameworks (e.g. ISO/IEC 27000 family, NIST, NIST Cybersecurity Framework)
- Defined Cyber risk management process and methodology.
- Developed cybersecurity awareness campaigns.
- Defined and executed Risk assessment for C-level executives.
